Introduction

This survey comes from **Disability Rights UK** and **Sense**.

Disability Rights UK campaigns for the rights of disabled people.

Sense works for people who are deaf and blind or who have complex disabilities.

The Government wants us all to keep active while we stay at home during the **Coronavirus COVID-19 outbreak**.

Get Yourself Active is led by Disability Rights UK. It is a project that helps disabled people to get active in a way that is right for them.

We want to know how disabled people are keeping active at this time.

Coronavirus COVID-19 is a new illness that is spreading around the world.

An **outbreak** is when a lot of people get ill at the same time.

Prize draw

We will be giving away Amazon vouchers of £100 and £60 at random to two people who take part in this survey.
